SUMMARY

Results-driven **HR and Administration professional with 6+ years of progressive experience in human resources, payroll, office administration, multi-branch operations, and staff supervision across telecommunications, property management, and corporate sectors.** Currently pursuing a Master of Human Resources Management at Open University Malaysia. Proven track record of managing payroll for up to 90 employees, handling foreign worker matters through FOMEMA and FWCMS, operating HRMS platforms such as Info-Tech and Xenix, supporting end-to-end recruitment and onboarding, and conducting training programmes to strengthen employee performance. Seeking to **leverage strong HR expertise, compliance knowledge, and people leadership to excel in an HR Manager, HR Executive, or HR & Administration position**, contributing to a productive workforce, full regulatory compliance, and sustainable organizational growth. **Available to start immediately.**

WORKING EXPERIENCES

1. Hercules Engineering (SEA) Sdn. Bhd.

(Apr 2026 – Present)

Senior HR Executive

- Manage end-to-end monthly payroll for office and factory employees, including pro-rated salaries, overtime, allowances, arrears, and statutory deductions (EPF, SOCSO, EIS, and PCB), and prepare bank payment files for salary disbursement.
- Drive the migration of payroll, leave, and attendance from Xenix to Info-Tech HRMS, covering leave data imports, shift and attendance configuration, payroll cutover coordination with the vendor, and staff briefings ahead of go-live.
- Handle statutory compliance and submissions through the EPF, SOCSO, and LHDN portals, including EA form and CP8D preparation, as well as HRD Corp registration matters.
- Administer foreign worker matters, including FOMEMA medical screening, work permit documentation, and bank letters, and issue staff announcements in English, Bengali, and Burmese.
- Lead recruitment for technical and finance roles by writing job descriptions, advertising vacancies on LinkedIn, Facebook, and Threads, screening CVs, preparing interview question sets, and coordinating candidate assessments.
- Onboard new employees and interns through offer letters, onboarding itineraries, and welcome announcements.
- Handle disciplinary matters, including drafting show cause letters in line with company policy and employment requirements.
- Prepare HR documentation such as company property acknowledgement letters and staff loan agreements, and restructured the HR server drive with a standard folder architecture and filing guide.

2. TSS Assets Sdn. Bhd. / SMT World Sdn. Bhd. / U Mobile

(June 2025 – Apr 2026)

Office Manager (role ended due to company restructuring)

- Spearheaded end-to-end administrative operations across 7 retail branches, orchestrating daily workflows, compliance activities, and interdepartmental coordination that enhanced operational efficiency by 85% and ensured seamless business continuity.
- Directed and supervised a workforce of 15–20 employees, administering attendance, leave, overtime, and HR documentation with 100% compliance to company policies and labor requirements.
- Achieved 100% on-time submission of daily sales reports by implementing robust SQL-based data verification and validation procedures, significantly improving reporting accuracy and reducing reconciliation errors by 95%.
- Consolidated and analyzed high-volume daily and monthly sales data, delivering actionable performance insights that supported senior management in identifying revenue trends and optimizing branch profitability.
- Monitored branch Key Performance Indicators (KPIs) and proactively resolved reporting discrepancies, safeguarding 99.9% data integrity and strengthening management confidence in operational reporting.
- Served as the principal liaison between branch personnel and executive leadership, reducing communication turnaround time by 50% and accelerating issue resolution across all operational levels.
- Coordinated stock movement, device tracking, and inventory control activities across all branches, maintaining 98% inventory accuracy and minimizing stock discrepancies and asset losses.
- Established a highly structured document management and filing system, ensuring 100% audit readiness, regulatory compliance, and rapid retrieval of critical operational records.
- Supported the full recruitment lifecycle, including job advertisement, candidate screening, interview coordination, and onboarding, contributing to the successful hiring and integration of 20+ new employees.
- Designed and implemented comprehensive Standard Operating Procedures (SOPs), incentive schemes, and internal policies that improved employee productivity by 85% and increased operational consistency.
- Streamlined reporting and administrative workflows through process automation and standardization, significantly enhancing organizational efficiency.

3. Firdaus & Associates Property

(Oct 2024 – June 2025)

Admin & Self Collection Officer

- Managed comprehensive administrative operations and property documentation for a residential portfolio, ensuring 100% accuracy in tenancy records, agreements, and supporting documents.
- Maintained and updated tenant and resident databases using iCare and Bukku property management systems, improving record accessibility and administrative efficiency by 80%.
- Generated detailed defaulter reports and monitored monthly rental collections, enabling timely follow-up actions that improved collection effectiveness by 75%.
- Responded to resident inquiries and complaints with professionalism and urgency, resolving 90% of issues within 24 hours and significantly enhancing tenant satisfaction.

- Coordinated closely with vendors and contractors to schedule and monitor maintenance and repair works, ensuring 95% on-time completion of service requests.
- Collected rental payments, maintenance fees, and service charges, issuing official receipts and maintaining meticulous financial documentation with zero audit discrepancies.
- Organized and safeguarded financial and administrative records, ensuring full compliance with internal controls and audit requirements.

4. Rakyat Digital Sdn. Bhd.

(July 2021 – June 2024)

Corporate Services and Research & Development Officer

- Conducted rigorous due diligence and evaluation of prospective business partners, supporting strategic onboarding decisions and reducing partnership risk by 40%.
- Performed in-depth market research and financial product analysis, identifying emerging opportunities that contributed to 80% growth in business development initiatives.
- Prepared comprehensive feasibility studies and economic impact assessments to evaluate the commercial viability of proposed projects and strategic programmes.
- Analyzed industry trends, competitor intelligence, and market data to generate high-value insights that informed executive decision-making and corporate strategy.
- Collaborated with cross-functional teams by providing research findings and product intelligence, accelerating project execution and enhancing business planning effectiveness.
- Developed structured analytical reports, business proposals, and presentation materials that improved strategic clarity and stakeholder understanding.
- Identified and assessed new business opportunities and strategic partnerships through systematic market scanning and research-based evaluation.
- Ensured 99% accuracy and reliability of research data, strengthening the credibility of recommendations and supporting evidence-based decisions.

5. Youth Empowerment Foundation

(July 2021 – Dec 2021)

Admin Executive and Student Affairs Coordinator (Protégé Program - Concurrent)

- Managed document uploads, digital archiving, and manual filing through Dropbox and structured filing systems, ensuring 100% accessibility and efficient record retrieval.
- Coordinated management meetings, educational programmes, and community events, overseeing logistics for 100+ participants and ensuring smooth execution.
- Recorded, monitored, and reconciled donations from public and corporate contributors, maintaining transparent records with zero discrepancies.
- Provided high-level administrative support to HR leadership, including calendar management, correspondence preparation, and confidential document handling.
- Assisted in the preparation of reports, budgets, and special project documentation, contributing to timely submissions and effective decision-making.
- Coordinated student applications and registrations to IPTA and Technical Colleges, successfully facilitating placements for 50+ students.
- Served as caretaker and operational coordinator for the Foundation's Transit Home, ensuring the welfare, safety, and daily needs of resident students.
